I. Division Rules

For an explanation of the movements listed below, see Glossary at www.UCWDC.org/rules

1. Classic Format
 - a. The Title, Step Description (including motion, rhythm, counts, and walls), Choreographer's (s') Name(s), and Video for each Classic Line Dance will be released annually on a schedule listed at www.UCWDC.org two months prior to the usage date for each dance, except for ProAm Line Dance where instructors may choose their own dances. Social dances will be posted, but as Event may choose their own local dance and must post those that are different on their website. If there is a discrepancy between the posted video and Step description for any dance, please default to video.
 - b. Since Choreographers create steps to a specific song, that song must be played for competition.
 - c. Line Dance competitors must space or stagger on the floor relative to each other and begin the dance after the verbal or non-verbal "count-in" in the direction designated by the choreographer
 - d. Line Dance competitors must follow the Basic Rule which requires that:
 - i. Competitors begin with one wall of vanilla, which is a complete rendition of the entire step description without variation. In an ABC dance, each section of the dance. i.e., A, B, or C must begin with a full vanilla before any variation may be performed.
 - ii. Competitors must perform vanilla for two measures of the basic (without variation from the step description) on measures 1 and 2. They may then vary up to two (2) measures to allow for musical interpretation followed by two (2) measures of vanilla. Variations must follow the flow of the dance.
 - e. Classic Movement Limitations (unless the move is specifically called for in a Line Dance step description):
 - i. Moves that include acrobatics, pirouettes, fouettés, sitting on the floor, lying on the floor, bridging on the floor, spins in adagio, splits, and sits to recover from splits are not allowed except for SuperStars, RisingStars, and Crown.
 - ii. Jumps and jetés are not allowed, except for SuperStars, RisingStars, and Crown.

- iii. Dance movements that rotate on balance in adagio are permitted to turn only up to 360 degrees, except SuperStars, RisingStars and Crown which may rotate more than 360 degrees.
 - iv. During intro music prior to count-in, competitors may move their bodies to express the mood and character of the music and dance but must stay in place.
 - v. Use of hands, arms, facial expressions, body styling, skirt work, and hat work are allowed without limit throughout the dance.
 - vi. Newcomer and Choreography competitors must dance only complete renditions of the entire step description without variation throughout the song
 - vii. SuperStars, RisingStars, and Crown Dances 'A' and 'B' follow the Classic Line Dance format including the Basic Rule.
- f. ProAm Line Dance:
- i. Instructors may choose their own dances.
 - ii. Since Choreographers create steps to a specific song, that song must be played for competition.
 - iii. In ProAm Line, the Pro must dance Vanilla.
2. Showcase Format
- a. Showcase divisions dance to music which is pre-selected for each dance on a rotating schedule. The songs, artist names, and details for usage dates are posted under "Competition Music" on our web page, www.UCWDC.org. Downloads of the music, as edited for competition, are available with an electronically signed disclaimer to UCWDC associate members.
 - b. The choreographic interpretation of the music is being judged. Competitors should select movement that they feel best interprets the musical nuances, tempo, character and mood of the musical selection and the dance's characterizing rhythm, motion and style.
 - c. Movements allowances and limitations for Line Dance Showcase and Solo Medleys within SuperStars, RisingStars, and Crown:
 - i. A competitor may begin the dance facing any direction of his or her choosing and may begin the dance at any time.
 - ii. In Line Dance Showcase, a competitor must dance repetitive patterns according to the phrasing of the music.
 - iii. Aerials are not allowed in Crown Solo Medley
 - iv. There are 'NO' movement limitations in SuperStars and RisingStars Solo Medley.

J. Floor Craft

1. For all dances, competitors should be courteous at all times on the floor, as well as vigilant so as not to interfere with other competitors.
2. For Line Dance categories, once the competitors evenly space or stagger themselves on the floor relative to each other, everyone's "dance space" is revealed. Competitors should perform so as to reasonably maintain their relative position on the floor, i.e., go with the Flow of Dance according to the basic dance description throughout the dance. Even when performing variations, Flow of Dance must be maintained. If you are in the back line or if you are in the front line, you may not move to the other line.

K. Costuming

1. Competitors in all Divisions must wear:
 - a. Costumes that are Country for Country dances and are appropriate to the dance, the arena, and the competitor wearing them. Country costumes are not required in Line Dances that are danced to non-country music. The Step Descriptions will indicate whether the dance is country or non-country.

- b. Traditional looking Cowboy boots except:
 - i. Newcomer and Social Competitors who are required to wear boots at The Country Dance World Championships, in the Country dances and are encouraged, but not required, to wear boots at other events.
 - ii. In line dances that are danced to non-country music (indicated on the Step Descriptions) Cowboy boots are not required.
 - c. Traditional looking Cowboy hats for men, except:
 - i. Newcomer and Social Competitors must wear Cowboy hats at The Country Dance World Championships in the country dances, and are encouraged, but not required, to wear Cowboy hats at other events.
 - ii. In Line Dances that are danced to non-country music (indicated on the Step Descriptions.) Cowboy hats are not required.
 - d. Hose (tights) and dance pants (shorts) for women, if either are revealed during the dance performance.
 - e. Sponsored logos on costumes are allowed if they are no larger than 5 inches by 5 inches (12.7 centimeter by 12.7-centimeter) in dimension per article of clothing. Logos should be tasteful and not detract from the costume.
 - f. Junior Competitors may not wear boots or other footwear with more than a 1.5 inch/3.75-centimeter heel.
2. Social Competitors are not allowed to wear costumes that have sequins, rhinestones, beads or metal embellishments built into the design of the outfit, or metallic threads or dots woven into or pressed into the costume. This does not include jewelry, which can include bracelets, necklaces, broaches, hatbands, hair-combs, rings, earrings, collar-tips, button snaps, belt buckles (but not the belt itself), boot bracelets, or stirrups. Discretion and tasteful decorum appropriate to the style of country and the story of the dance performed is highly encouraged.
 3. Please remember that how a competitor presents him or herself for performance is part of the final placement on every judge's ballot, in every dance, according to the style and story of the dance. It is essential to consider that the entire visual or "look" of the performance is judged including costuming as well as steps.
 4. Props are anything that is not normally worn as clothing and are only allowed in Solo Medleys. Props must be portable, not living, and delivered to and removed from the performance arena only by the competitors. Competitors and props must not touch audience or staff. Time for setup will be included in performance time – no extra time will be allowed- and removal of the prop must occur on the walk-off after competitors take their bow.

L. Choreography

1. Like music, under international law, all original choreography is automatically copyrighted when it has been performed and may not be copied, reproduced, or imitated without permission by the owner under penalty of law.
2. Movement Limitations for Choreography:
 - a. When performing Choreography, competitors must dance only Vanilla – complete renditions of the entire step description without variation throughout the song.
3. There are five (5) competitive categories:
 - a. Country Newcomer/Novice
 - b. Country Intermediate/Advanced
 - c. Non-Country Newcomer/Novice
 - d. Non-Country Intermediate/Advanced
 - e. ABC
4. Each Choreography entry is an original dance performed by competitors with the choreographer physically present. Since the competitor selects the music, it is essential that the dance's rhythm, motion, and character match that music.

5. The dance should have some element that will make it popular and appear to be easy to teach to social dancers within the level in which it is entered, i.e., Newcomer/Novice or Intermediate/Advanced. The dance should also have 'appeal' that will give it longevity, impact or influence on the dance community.
6. The dance itself is what is judged, not the dancer(s) or their community.
7. With their competitor registration, Choreographers are required to provide a printed step description of the dance detailing the following:
 - a. Dance Title and Choreographer
 - b. The number of walls and number of counts
 - c. The level of the dance.
 - d. Song Title and Artist
 - e. The basic pattern and rhythm
 - f. An ABC dance entry should specify the number of counts per phrase (A, B, C, etc.) and the phrase order from beginning to the end.
 - g. If a competitor wishes their Choreography entry to be considered for use as a UCWDC dance, a digital video must be included with the Step description.

The music will be audited during competition for all requirements and must be submitted on a USB drive to the auditor designated by each specific event. N. Graduation Criteria

1. Graduation Criteria applies to all Dance Types (except Choreography divisions)
2. Competitors graduate on the first day of the next Dance Season, except for the following:
 - a. When a competitor dances the first two (2) time in a Dance Season and accumulates a majority of GG's in their dance(s), they must immediately graduate to the next higher level once they are informed by the Vice President of Rules.
3. Eligible wins occur if there are three (3) or more competitors competing for overall, except if the majority of judges' marks grades of S or less. In the case of less than three competitors competing for overall, a win counts toward graduation if the majority of judges' marks GH and GG. At least 25% of all grades must be GG.
4. Graduation Earned at UCWDC Regional Events:
 - a. Graduating in one Dance Type will. Not cause graduation in other Dance Types unless a competitor is already in separate levels. No competitor may dance more than one (1) level different in another Dance Type without a dispensation. For crossover between Dance Types, please see www.UCWDC.org/rules . Dispensation form is found at www.UCWDC.org/rules .
 - b. If a competitor qualifies for an overall in a division, at a particular skill level, they may dance one or more dances in the next higher skill level at the same event (and must dance Two-Step if it is required). If the competitor dances overall in the next higher skill level, they have self-graduated into the higher skill level and may no longer dance in the lower skill level. Competitors may not dance at a higher skill lever at The Country Dance World Championships.

- c. Number of eligible wins:
 - i. Line Dance, and ProAm competitors must graduate to the next higher level from the:
 - .1 Newcomer level if they have eligible wins at two (2) or more UCWDC events during the current Eligibility Period.
 - .2 Novice level if they have eligible wins at two (2) or more UCWDC events during the current Eligibility Period.
 - .3 Intermediate level if they have eligible wins at three (3) or more UCWDC events during the current Eligibility Period.
 - ii. Ascension into SuperStars, RisingStars, and Crown divisions occurs when a competitor has a combined lifetime total of four (4) first place overall eligible wins in Classic Advanced and Showcase divisions at UCWDC events. At least one (1) eligible win must come from each of Classic Advanced and Showcase and at least one (1) win must have three (3) or more competing for overall.
 - iii. For SuperStars: The wins must come from the Open Advanced and Showcase Open divisions.
 - iv. For RisingStars: The wins must come from the Classic Youth Advanced (once the competitor turns 14), Teen Advanced, Showcase Youth (once the competitor turns 14) and Showcase Teen divisions.
 - v. RisingStars competitors may choose at age 18 to:
 - .1 Leave Rising Stars and enter Classic Open Advanced or
 - .2 Stay in RisingStars and ascend to SuperStars during the season in which they turn 20 years of age. They may only ascend if they have competed for overall in RisingStars. Once made, that decision is final
 - vi. For Crown: The wins must come from Classic Crystal Advanced (once the competitor turns 40), Diamond Advanced, Silver Advanced, or Gold Advanced, and Showcase Diamond divisions.
- 5. Graduation Earned from a Continental Championship:
 - a. It will be the same as from any UCWDC Regional Event excluding the Country Dance World Championships.
- 6. Graduation Earned at The Country Dance World Championships ('Worlds'):
 - a. Except for graduation to Ascension Divisions (SuperStars, RisingStars, and Crown divisions), every competitor who wins a first place Overall title at The Country Dance World Championships with grades of G or better must graduate to the next higher level of competition, unless they have fewer than three (3) competing for Overall in their division. In this case, competitor will graduate only if the majority of judges' marks are grades H and GG. At least 25% of all grades must be GG.
 - b. SuperStars, RisingStars, and Crown divisions:
 - i. Ascension is accomplished by first place overall eligible wins in both the respective Classic Advanced and Showcase divisions. These wins do not need to be gained at the same Country Dance World Championships.
 - ii. Eligible wins in either, but not both, of these divisions count as two (2) Regional Event wins towards ascension to the relevant division.
 - iii. Candidates may combine their qualifying wins in either Classic or Showcase at UCWDC events with their qualifying wins at the Country Dance World Championships in the other style.
 - c. In addition, all competitors who dance for an overall award at The Country Dance World Championships graduate to the next higher division on a scale which depends on the total number of competitors. They graduate if they have one (1) eligible win at a regional Event and they won:
 - i. Second (2nd) place overall at The Country Dance World Championships where there were ten (10) to fourteen (14) overall competitors.
 - ii. Second (2nd) or Third (3rd) place over all at The Country Dance World Championships where there were fifteen (15) to nineteen (19) overall competitors.

- iii. Second (2nd), Third (3rd), or Forth (4th) place overall at The Country Dance World Championships where there were twenty (20) to Twenty-four (24) overall competitors.
- iv. Second (2nd), Third (3rd), Forth (4th), or Fifth (5th) place overall at The Country Dance World Championships where there were twenty-five (25) or more overall competitors.

 - ii. Intermediate/Advanced Country
 - iii. Newcomer/Novice Non-Country
 - iv. Intermediate/Advanced Non-Country

 - c. The dance should have some element that will make it popular and appear to be easy to teach to social dancers within the level in which it is entered, i.e., Newcomer/Novice or Intermediate/Advanced. The dance should also have some ‘appeal’ that will give it longevity, impact or influence on the dance community.
 - d. The dance itself is what is judged, not the dancer(s) or their performance.
 - e. With their competitor registration, Choreographers are required to provide a printed step description of the dance detailing the following:
 - i. The basic pattern and rhythm
 - ii. The level of the dance
 - iii. The number of counts
 - iv. The number of walls
 - v. An ‘ABC’ dance entry should specify the number of counts per phrase (A, B, C, etc.) and the phrase order from beginning to end.
 - f. If a competitor wishes their Choreography entry to be considered for use as a UCWDC dance, a digital video must be included with the step description.

P. Competitor Conduct and Ethics

1. All decisions of the contest judges, the Contest Coordinator, and Event Director will be final. 3. Any complaint or challenge to the makeup of a judging panel or results from a judging panel must be done post-event and will go to the Judge Review Board. See the UCWDC Judge Certification Code of Conduct at www.ucwdc.org/judge-certification
4. Before entering a UCWDC Event, competitors may be required to sign an event waiver form that limits the event's liability with regards to injury or other damage, allows data collection and tracking, assigns the distribution rights of audio and video recordings of the attendee(s) to the event, and addresses privacy. Competitors under the legal age of 18 must be accompanied by a parent or legal guardian who has written parental permission to act as 'guardian', and who is responsible for the minor's safety and conduct at all times.

6. All attendees are expected to act in a friendly, cordial, respectful, and professional manner throughout the event.

Q. Reporting and Staging Procedure

1. For all heated divisions, competitors should report to the Floor Coordinator thirty (30) minutes before a division's first contest heat to check-in and preview their music or warm up, unless the size of the contest warrants an earlier reporting time (see event schedule). When reporting, each competitor will make themselves known to the Floor Coordinator by competitor number, confirming that they are dressed, ready, and able to perform in the proper division. During the contest, competitors must remain in the staging area, except for costume changes.
2. Competitor numbers must be touching the spine and must be worn in all divisions except self-selected music categories. However, Choreography competitors must wear numbers.
3. Even though UCWDC contests post the heats of competition for all divisions, the exact heat order is not guaranteed to any competitor.
