UCWDC COVID-19 UPDATE

March 11, 2020

To the UCWDC community of dancers,

Please know that the directors of the UCWDC share your concerns and anxiety arising from the spread of the novel coronavirus (COVID-19). The rapidly changing status of travel restrictions and cancelled or postponed public events is certain to have an impact on our events around the world.

Please know that we are monitoring the situation closely and keeping the safety of our dancers and their loved ones in our hearts and minds.

The Council is not in a position to decide whether or not regional events will take place. All of the events within the UCWDC are independently owned and operated. Each director is carefully monitoring the situation and making decisions based on the situation in their own region. The health and safety of the professionals, staff, competitors, dancers and volunteers attending the events is a top concern as is doing what is best in respect to public health.

Council leadership is working closely with the events and their directors to provide support in the case of cancellations or dispensations if required.

At present, no UCWDC events have been cancelled. We encourage you to participate as you are comfortable and as your local public health officials or doctors advise. Our top priority is your health and well-being.

Follow us on social media www.facebook.com/UCWDC/; twitter.com/UCWDC/, www.instagram.com/UCWDC/ and www.ucwdc.org for additional updates as they are needed.

Take care,

UNITED COUNTRY WESTERN DANCE COUNCIL
