UCWDC COVID-19 UPDATE

May 28, 2020

To the UCWDC community of dancers,

As we begin to enter a new phase of the COVID-19 pandemic and many countries are beginning to look at relaunching strategies we remain optimistic that as we stay together and support one another we will come out the other side more resilient than ever.

In light of this season's cancelled events, the Council's Board of Directors has decided to suspend the UCWDC Points Championships for the 2020 season. This was not an easy decision to make as we understand many of you strive to achieve this goal. Yet with a shortened dance season, access to fewer events and concerns about travel and public health, a cumulative Points Championship just isn't prudent for the 2020 season.

However, as we continue to monitor the ever-changing status of the pandemic worldwide, we are working diligently to plan for the 2021 Country Dance World Championships in San Antonio, TX. The Worlds Management team is revisiting many aspects of the events to ensure that the health and safety of the professionals, staff, competitors, dancers, and volunteers attending the event is the best with respect to public health and safety.

We encourage you to participate as you are comfortable and as your local public health officials or doctors advise. Our top priority is your health and well-being.

Stay healthy,

UNITED COUNTRY WESTERN DANCE COUNCIL
