UCWDC SHOWCASE MUSIC RELEASE AND COVID-19

April 30, 2020

Fellow Showcase Dancers,

We acknowledge that during this time of quarantines and economic shutdowns, our dance family is struggling to make ends meet, and in most cases is unable to practice. In response, the UCWDC and the Showcase Music Committee are working to minimize the effects of this global situation on our dancers.

Accordingly, we have decided to postpone the release of any new showcase music for at least a year. A new East Coast Swing song was put into usage earlier this year though due to event cancellations, no one has been able to dance to it yet. Since this song release already occurred, it will be the East Coast Swing used going forward. However, the release of the next song, Triple Two Step, will be pushed out until after Worlds for this year. Hopefully by that time, things will be getting back to somewhat normal and we can reassess the showcase music release schedule.

Please stay safe and we hope to see your smiling faces on the dance floor soon!
