

2022 Classes offered by Judge Certification

2022 CEU Classes

Continuing Education Classes for our judges will be offered at certain events and on Zoom. Judges are required to take these classes and the public is welcome to attend. This is a wonderful way to gain valuable insight that will help your dancing.

The first CEU of the year is entitled *Methodology Update and Showcase Considerations*.

Important methodology items will be reviewed to help ensure that all judges are using the same method to arrive at medal placements for each category and age level. The class will also include a comprehensive review for judging Showcase and self-selected music categories, which has been updated in our new curriculum.

Please watch for advertisements for events that will be offering CEU courses.

Our first Zoom class will be held on Sunday April 3rd at 5 p.m. eastern time. Please adjust to your time zone. Watch for details for signing up for the Zoom class!

2022 Class for Competitors, Coaches, and Dance Enthusiasts

What the Judges Are Looking For

Judge certification will be offering a class which helps the competitor, coach, and dance enthusiast understand what the judges are looking for. This class will review what is expected of the dancer in each level, as well as what is needed to achieve each medal placement. Having a better understanding of the process of awarding medals can only help to improve your competitive experience. Please watch for those events that will be offering this class in person and Zoom classes.
